We'd like it to apply to both local and DOT projects (sorry for the confusion). We want whatever municipality will get either a DOT or county roundabout to be able to vote on it prior to the construction.

Please send over the P-draft with the above.

I made the changes. I have assumed, given the nature of the changes, that this should apply only to local highway projects, not DOT projects.

The provision looks quite a bit different. Do you want to see a /P2 first, or should I just send it out as a /1 (we could do a /2 if it still needs modification)?

Aaron,

Want to change the referendum require to a majority vote of the governing body (city council, village board...). Can you make that change and send it over as an introducible draft?

Can I have the change by COB on July 3<sup>rd</sup>?

Thanks,  
Nate
